Building Heat

How to light and control fire

Make sure wood cart is full

Lock fire wood door when done

Indoor Range

- Follow Safety rules - see wall
- Make sure shooting line is clear before getting arrows
- Make sure people are at safe distance when pulling arrows
- Arrows must always face target
- Walk don't run
- No shooting across lanes

Around the building

- Smoking area - gazebo across parking lot
- **no smoking inside building or on outdoor courses**
- Parking
- Keep away from Hog weed
- Lock doors and gate

Outdoor Flat Field

- Read safety sign
- Do not aim above horizon when drawing bow
- Make sure shooting line is clear before getting arrows
- Put up Red stop signs if going behind targets
- Make sure people are at safe distance when pulling arrows
- No shooting cross lanes
- Broad heads are to be shot only in the broad head pit (this includes cross bows and practice arrows)
- Can use club bows but must have own arrows

Outdoor Field Course

- Read safety sign
- Stick to our property, also don't shoot towards neighbors property
- Do not aim above horizon when drawing bow
- Make sure shooting line is clear before getting arrows
- Put up Red boards on target if going behind
- Broad heads are to be shot only in the broad head pit (this includes cross bows and practice arrows)
- Can use club bows but must have own arrows
- Follow marked trails - do not back track
- Always look for dead fall trees

LET MAINTENANCE KNOW IF YOU FIND SOMETHING THAT REQUIRES ATTENTION
