Club Events

Archers from our club and neighboring clubs compete in a variety of shoots throughout the year. These events are scored for competition and/or can be shot just for fun. Our club hosts 3 main shoots yearly that bring archers in from all over BC.

Safari Shoot - This is held annually in January. This is a one day 3D event and is held out in our wooded field course using our 3D animals.

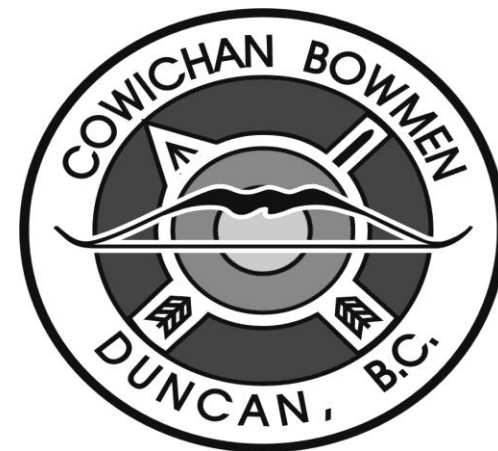

Hell Hole Shoot – This is held annually in June. This is a two day 3D event and is held out in our wooded field course and due to size extends onto neighboring property.

Harvest Moon shoot – This is held annually in October. This is a one day 3D event and is held out in our wooded field course using our 3D animals.

Many other shoots and events are also organized throughout the year.

- New Year's Day tree shoot
- Mail match shooting
- Winter league
- 900 rounds
- 720 rounds
- Family summer shoot
- Halloween shoot
- and more

Our Facilities

The Cowichan Bowman Archery Club has 13.8 Acres of property. The 3000 sqft clubhouse holds an indoor 18 meter, 10 lane range. This can be used year round and the facilities include a kitchen, washrooms and lounge area. All of which is wheel chair accessible. Outdoors are a 3 acre outdoor target range, a sandpit for broad heads, as well as a 16 target field course through our surrounding woods.

Our Members

The Cowichan Bowman Archery Club membership is comprised of archers who enjoy and compete in a wide range of archery activities. There is something for everyone from beginner to advanced levels. Members range from age 4 to 65 and older. Members practice and compete in indoors and outdoors shooting, 3D competitions, traditional long bows, recurve and compound bows.

Junior Olympian Program

The Junior Olympian Program (JOP) is a developmental program through the BC Archery Association for junior archers. The program provides junior archers with opportunities for individualized coaching, camaraderie, competency badges, and exposure to varying competition styles and events.
