These are the final results of the JOP Outdoor Championships for 2015.

We changed the distances last year to see if more young people would participate but we had less people for this year.

There were 57 participants from 12 clubs. Scores in bold are new JOP Outdoor Records.

Congratulations to all of you and a big hand for all the winners.

The winner of the dozen arrows is Liam Huerter from Victoria Bowmen. Congratulations Liam.

Thanks so much to Jim Breckenridge for doing this again for our young archers.
