First scoring follows

The Multi-Sites Indoor Championship of the Americas (MICA) is an annual event shot between January 1st and April 30th across host sites throughout North America.

The event consists of the 18 meter World Archery Indoor Round, i.e. One (1) round of sixty (60) arrows. With four age categories for both the male and female archers recognized in both the Compound and Recurve Divisions

The MICA shoot is a great event that allows archers to compete internationally at the same time getting some great practice shooting in a formal competition environment
Without leaving the comfort of the Cowichan Bowmen Club

Costs are \$20.00 for Members

\$30.00 for Non-Members

Complete rules for the event are posted at the Club.
