

Cowichan Bowmen Club Meeting May 5th 2020

1. Meeting called to order: 6:08pm

2. Reading over minutes from the last general meeting.

3. Correspondence:

4. Treasurer's Report: April and March's revenue is made up by membership dues, club rentals, and the Mica shoot. Expenses were new targets, the new road, and hydro. Rand and Allen accepts, all in favour.

5. Old Business:

-Brochures and business cards for the club

6. New Business:

-Return to play. BC archery is asking people not to return to the clubs until they receive a permit for return to play. We are not under BC archery insurance. We are going to wait until the BC Parks start opening up before making a decision about reopening the club. Motion to wait until BC recommendation for permit to play. Made by Darcy and Rand, all in favour.

-Evan is asking to have membership forms mailed over to Vancouver. Leanne has offered to scan and email them off to him on Monday.

-Need to discuss if there will be a discount on membership dues for next year if this happens to go on much longer. We will revisit this at our June meeting.

-All archery competitions and shoots are canceled for the foreseeable future.

-Zoom meeting will happen again once there is a change with the BC archery policies to continue club use.

7. Directors Report:

8. Date of Next Meeting. TBD

9. Motion to adjourn by Rand and Allen. 8:18pm Allen, Darcy
