

COWICHAN BOWMEN SUMMER NEWSLETTER

FALL IS JUST AROUND THE CORNER!!

Our summer season has been fantastic this year! There have been many people out at the range using all aspects of our club this summer. From traditional shooters using our newly invigorated outdoor course to our in-house 30/60/90 competition, we have seen great use of the grounds!

We would like to thank all who shot with us outdoors this summer!

UPCOMING EVENTS

September 9th: JOP 2024/25 season begins

September 10th: Monthly Members Meeting

September 13/14/15: Cowichan Bowmen display at Cowichan Exhibition

September 21st: Double 720 Shoot

September 21st: Work party for Harvest Moon 3D Shoot

A change in seasons brings a change in shooting! Here is a quick message from our Hunting Director:

With the season opener rapidly approaching I hope everyone's practiced up and feeling ready. If you're struggling with getting your broadheads flying true or are one of our newer bowhunters with questions or concerns for your upcoming season, please reach out to me on our Facebook page or at the club. Having confidence in your setup is everything in the mountains and at the end of the day you owe it to the animal. Good luck and straight shooting out there this year to all. Trophies for biggest deer/elk/bear/moose/bow hiker are all up for grabs!

“Having confidence in your setup is everything in the mountains and at the end of the day you owe it to the animal.”

30/60/90 RESULTS

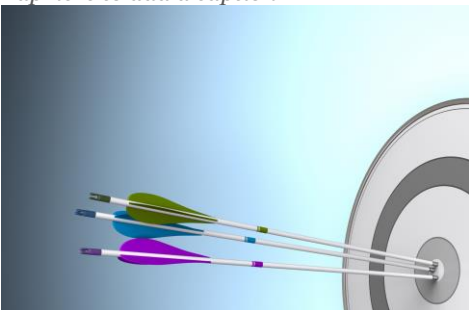

After a great summer of competition, we have a winner! All of our archers fought hard and demonstrated great skill in the new competition created by one of our own members, Mark Baker.

First place: Wade Smith Second Place: Bob Barry Third Place: Mark Baker

Thank you to all who came out and we look forward to having this competition next year!

JOP 2024/25 SEASON STARTS ON SEPTEMBER 9TH

We are excited to announce that we are two weeks away from the beginning of another wonderful JOP season. We have had more interest this year than previous years and are thrilled that the numbers in our youth program are growing. JOP is a wonderful place to learn and practice the sport of archery as well as having a great time with other kids in the valley.

If you are interested in attending JOP this fall, please reach out to our JOP Director Graham at grahamallancannon@gmail.com. He would be happy to explain more about the program.

DOUBLE 720 SHOOT AND HARVEST MOON WORK PARTY

We will be hosting a double 720 shoot on the 21st of September. An e-mail specific to the shoot will be sent out soon as well as more information will be posted on our Facebook page and website. We had a similar shoot over the summer and hope to see more people come out to this event in September. Our Target Director Sara will be sending out more information very soon.

We will also be having a work party for those interested in helping get ready for our Harvest Moon 3D shoot. Just like the double 720 shoot, an e-mail will be sent out with more information about the work party in the few weeks. Our 3D Director Lindsay has a plan of things that need to be done and it won't take long at all to get it all finished!
