

Cowichan bowmen archery club

AGM

Motions to be discussed

Motion #1-

(Richard Kennett) motion to include Allan Plumbly as a lifetime member for the years of dedicated service as maintenance and other volunteer work for the club. As president – I fully support Allan Plumbly becoming a Lifetime Member

Motion #2-

(lee Cameron) motion for hunting director to have first pick on the next older 3d deer and bear targets for the purpose of shot placement/broadhead tuning days with club members

Motion #3

(lee Cameron) Motion to allow Amanda to use the seating area of the club house for a trial weekend core course in early 2025. In hopes to make it annual. A discount to be offered to bowmen members. No club interruption needed.

Motion #4

(Lindsay Mitchell) Motion to allocate the funds to make an order for new 3D Targets Including the Rinehart sasquatch. Not exceeding \$10000

Motion #5

(Amanda Berry) Motion to give Lorenzo Bortelotto a free membership for all his hard work on the 3d target repairs and all other volunteer work . he has brought back to life many old targets and spent countless hours at home and at the club fixing . As president – I fully support Lorenzo Bortelotto having a free membership in 2025

Motion #6

(Amanda Berry) Motion to have the floors in the club house fully re done professionally , sanded down , repainted and new lines done .

Motion # 7

(Amanda Berry) Motion to make general meetings every other month

Motion #8

(Paul Tedrick) Motion That Cowichan Bowmen allocate up to \$10,000 to address any issues necessary to ensure the potability of the club's water supply, with the goal of maintaining continuous access to safe drinking water for members, such as through a water filling station or drinking fountain.
